GRAZING THE HEARTLAND

September 23 & 24, 2026
Sioux Falls, SD

Journey through South Dakota, Nebraska, and Minnesota on the National Grazing Lands Coalition Bus Tour. This unique collaboration with the South Dakota Grasslands Coalition, the Nebraska Grazing Lands Coalition, and the Minnesota Grazing Lands Conservation Association offers participants a chance to learn about sustainable land management practices and witness firsthand the diverse ecosystems that define the region. This two-day event includes a welcome reception and the chance to network with like-minded individuals from across the country.
